

RECESSED CHANNELS

Acolyte offers an excellent selection of recessed channel options at a variety of widths, depths and beam angles. Our aluminum extrusions can be custom cut at any length. We offer several optic diffusion lenses that range from clear to milky and even sleek black lenses that help camouflage unused fixtures. Finish your channel in a standard silver, black or white or choose any powder coated custom color. Excellent heat sinking keeps everything running cool. Hidden mounting keeps everything looking slick. Create stunning custom recessed fixtures with your favorite channel and our premium RibbonLyte products.

HOUSING FINISHES

*Additional fee applies

Note: Black housing finish not available for AR16
