## COLOR PANEL LYTE

Our Color Changing Panel Lytes provide static color high-brightness LED fixtures that function as an excellent source of soft, colored light. With seamless joint coverage that eliminates light leaks at the corners, our Color Panel Lytes have built-in drivers, 1-10 volt dimming and are available in multiple sizes and color. With an ultra-thin profile of less than 1/2" deep and an acrylic and white metal frame, our Panel Lytes are an excellent choice for specialty lighting applications.

- Available Colors: Red, Orange, Amber, Green, Blue, Violet
- Available in three sizes: 1x4 ft, 2x2 ft, 2x4 ft
- Onboard Driver Included
- Ultra Thin Profile Fits Standard Dropped Ceilings
- Seamless joint coverage eliminates light leaks at the corners
- Minimum Order Quantities Apply

MOUNTING OPTIONS

Our Panel Lytes can be installed tool-free into a dropped ceiling configuration. We also include suspension kits, for use where local building codes require additional support for the fixture. Choose Standard Dropped Ceiling option in Part Number Builder.

• To suspend this panel, choose Option H in Part Number Builder section.

• To surface mount this panel, choose option S in Part Number Builder section.

• To recess this panel for flush mount in a drywall or similar ceiling, choose option F in Part Number Builder section.
