

**COLOR CHANGING PANEL LYTE**

Our Color Changing Panel Lytes are high-brightness LED fixtures that function as an excellent source of soft, colored light. With seamless joint coverage that eliminates light leaks at the corners, our Color Changing Panel Lytes have built-in driver and DMX interfaces, 1-10 volt dimming and are available in multiple sizes and colors. With an ultra-thin profile of less than 1/2" deep and an acrylic and white metal frame, Panel Lytes are an excellent choice for specialty lighting applications.

- Available Colors: RGBW, Variable White
- Available in three sizes: 1 x 4 ft, 2 x 2 ft, 2 x 4 ft
- Ultra-thin profile fits standard dropped ceilings
- Seamless joint coverage eliminates light leaks at the corners
- Onboard driver and DMX decoder included

**Applications:**

Commercial	Hospitality	Residential
Entertainment	Museums	Retail
Healthcare	Public Spaces	

**RoHS**  **IP20**

MOUNTING OPTIONS

- Our Panel Lytes can be installed tool-free into a dropped ceiling configuration. We also include basic suspension wires for use where local building codes require additional support for the fixture. Choose Standard Dropped Ceiling option in Part Number Builder.
- To surface mount this panel, choose option S in Part Number Builder section.
- To recess this panel for flush mount in a drywall or similar ceiling, choose option F in Part Number Builder section.
- To suspend this panel, choose Option H in Part Number Builder section.
