RETRORAYZ
LED LIGHT BARS

REPLACEMENT FOR LINEAR FLUORESCENT LAMPS IN CABINET SIGNS

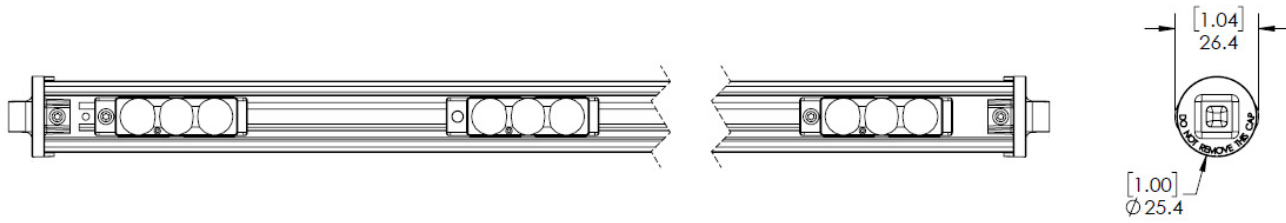

RETRORAYZ® LED LIGHT BARS provide a cost-effective solution to replace linear fluorescent lamps in cabinet signs. With a quick and easy retrofit installation, end users can switch to mercury-free LED technology and enjoy benefits like a 40% higher system efficacy, longer lifetime, lower maintenance costs and better cold weather performance. Single- and double-sided RetroRayz models available in 14 standard sizes and 3 static white CCTs.

CE **RoHS LM-79 LM-80 IP68**
