

United States of America Limited Labor Coverage

This extended warranty is in addition to the terms and conditions listed on our Global Limited Warranty Statement.

GENLED Brands[™] offers labor assistance in the event that a product identified in the Labor Warranty Reference Table set forth below is deemed defective prior to the end of the labor warranty period set forth in the Labor Warranty Reference Table. The determination of whether a product is defective shall be made by **GENLED** Brands[™] and the specific return process is outlined in the published Global Limited Warranty Statement. This limited labor assistance will provide a reimbursement of the actual labor costs to repair such defective product, up to a maximum of the amounts set forth in the Labor Warranty Reference Table, and is non-transferable from the original owner of the product unless explicitly agreed to in writing by **GENLED** Brands[™].

The labor warranty will commence from the date of installation and at time of warranty claim an online claim form will need to be filed to receive compensation. The claim form and process and certain geographic limitations on the applicability of this labor warranty can be found at <https://www.GENLEDBrands.com>.
