

RGBW SERIES 2 RIBBONLYTE

RGBW SERIES 2 RIBBONLYTE

RGBW Series 2 RibbonLyte is a 4-channel DMX-controlled color changing RibbonLyte with four separate chips (red, green, blue and white) combined in each LED diode. A tight pitch provides flawless color blending and short cut lengths offer tremendous design versatility. Three white CCT choices deliver varied levels of brightness.

Declare.

4.4 W/ft (14.4 W/m)

- IP20: 0.47 in. (12 mm) wide
- All on: Up to 72 lm/W
- All on: Up to 318.78 lm/ft (1045.6 lm/m)
- Closet rated (standalone or in surface channels)

5.5 W/ft (18 W/m)

- IP65: 0.47 in. (12 mm) wide
- IP68: 0.58 in. (14.8 mm) wide
- IP69: 0.57 in. (14.5 mm) wide
- All on: Up to 83 lm/W
- All on: Up to 453.78 lm/ft (1488.4 lm/m)
- Closet rated (standalone or in surface channels)

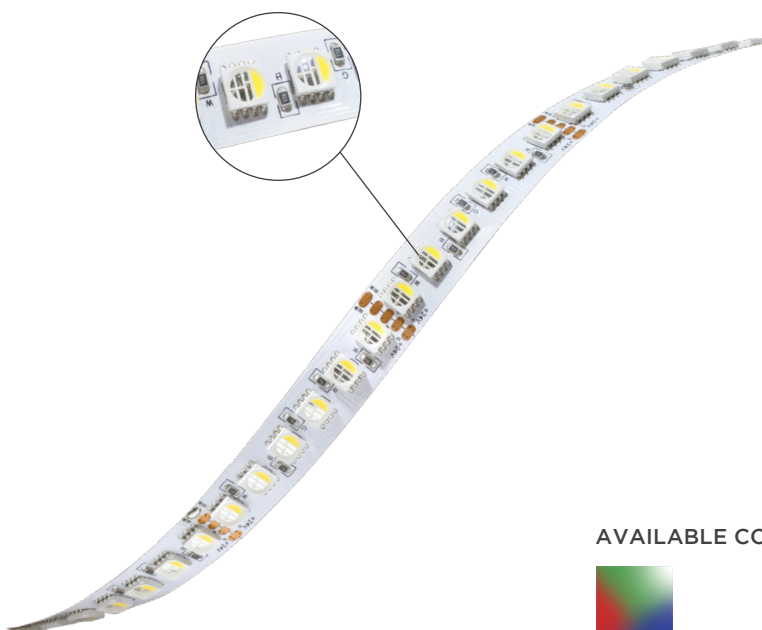

8.8 W/ft (28.9 W/m)

- IP20: 0.47 in. (12 mm) wide
- All on: Up to 76 lm/W
- All on: Up to 664.81 lm/ft (2180.58 lm/m)

FEATURES:

- 4 LED chips in 1
- RGBW (2700K, 3000K or 4000K)
- 36 LEDs/ft (120 LED/m)
- 2 in. (50 mm) cut lengths
- The 4.4 and 8.8 W/ft are rated IP20
- The 5.5 W/ft is rated IP65, IP68 or IP69

Tight LED pitch
for superior color blending
