

RGBW SERIES 2 RIBBONLYTE

RGBW SERIES 2 RIBBONLYTE

RGBW Series 2 RibbonLyte is a 4-channel DMX-controlled color changing RibbonLyte with four separate chips (red, green, blue and white) combined in each LED diode. A tight pitch provides flawless color blending and short cut lengths offer tremendous design versatility. Three white CCT choices deliver varied levels of brightness.

FEATURES:

- 4 LED chips in 1
- RGBW (+ 2700K, 3000K or 4000K)
- 36 LEDs/ft (120 LED/m)
- 2 in. (50 mm) cut lengths
- The 4.4 and 8.8 W/ft are rated IP20, and the 5.5 W/ft is rated IP65 or IP68

AVAILABLE LENGTHS:

4.4 W/ft

- IP20 (0.47 in. / 12 mm wide)
- 45 lm/W, 200 lm/ft
- Closet rated (standalone or in surface channels)

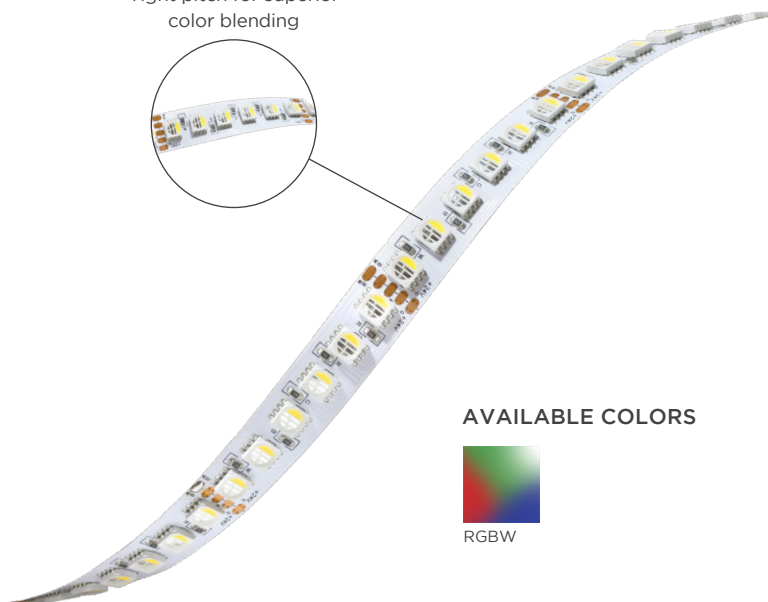

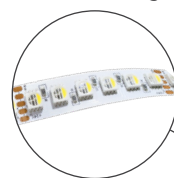

5.5 W/ft

- IP65 (0.47 in. / 12 mm wide)
- IP68 (0.58 in. / 14.8 mm wide)
- 59 lm/W, 305 lm/ft
- Closet rated (standalone or in surface channels)

8.8 W/ft

- IP20 (0.47 in./12 mm wide)
- 61 lm/W, 530 lm/ft

Tight pitch for superior color blending
