5.5 RGBA SERIES 2 RIBBONLYTE

5.5 RGBA Series 2 RibbonLyte is a DMX-controlled 4-channel color changing RibbonLyte with four separate chips (red, green, blue and amber), each combined in a single diode to provide flawless color blending. Mixing with amber LEDs helps create warmer pastels. Our Series 2 version offers more LEDs per foot, higher efficiency and output, and improved cut lengths.

- · Color changing with DMX controls
- Improved pitch of 36 LEDs per foot
- · Increased efficacy and lumen output
- Tighter cut lengths of 2 in. (50 mm)
- 5.5 W/ft (18 W/m)
- All on: 51 lm/W
- All on: 280.67 lm/ft (920.6 lm/m)

USAGE GUIDELINES

- IP65 and IP68 RibbonLyte are not field cuttable. All custom cuts and connections for these models must be performed at the factory to ensure waterproofing standards are met. Any modification of this on the field or by end user will result in a voided warranty.
- When installing this product take into account the surface temperature of the material this product is mounted to. Many building surfaces which are exposed to direct sunlight exceed the 70° C / 158° F maximum that our product is rated for. High risk locations like this should be avoided.
- Our IP65 can be used in wet, outdoor locations around swimming pools and spa tubs, but our products are not intended to be submerged in pools and fountains and do not carry UL676 certification to do so.
- Please refer to our RibbonLyte Proper Use Guide in our Application Guide for more information. Available for download at www.GENLEDBrands.com/Acolyte.
- Compatible with a wide variety of control products including the entire line of Lutron dimming systems.
- For use with Acolyte drivers, O-10V dimming modules and interface controllers (DMXINF models).
- Use with non-Acolyte supplied drivers is not supported or warrantied.
- Due to the nature of the product, RibbonLyte cuttable lengths are generally longer or shorter than the customer requested length. Unless specified, RibbonLyte is factory cut at the shorter cuttable point.
- We reserve the right to make changes to product lineup, specifications, design and finishes at any time without notice.
