

OptX RibbonLyte

OptX RibbonLyte is a flexible wall washing or grazing solution that doesn't require a channel fixture. Available in four Static White CCTs (2700-4000K), our 24V OptX RibbonLyte offers the choice of symmetric 10° and 30° beam angles. It is rated IP67 for outdoor use. Mounting options include several types of mounting clips and channels.

FEATURES

- 5.8 W/ft (19 W/m)
- 2 beam angles: Symmetric 10° and 30°
- LED pitch of 14 LEDs/ft (46 LEDs/m)
- 5.9 in. (150 mm) minimum top bending radius
- 3-year warranty
