

24V PRO Lyte

BEST IN CLASS BRIGHTNESS & EFFICACY | CONSTANT CURRENT

**CONTINUOUS RELEASE LINER
REDUCES INSTALLATION TIME BY 30%**

Great for channel letters, box signs or cove and accent lighting, PRO Lyte modules feature a 24V true IC constant current design that maintains brilliant light across each string. With an IP67 rating and a seven-year warranty, PRO Lyte modules allow speedy installation with a convenient continuous release liner for the mounting tape. PRO Lyte static white modules offer two module designs (PRO Lyte 2 and PRO Lyte 4) engineered with unique spacing available in five CCTs (3000K, 4000K, 5000K, 6500K, 7100K). PRO Lyte 2 Color modules are available in three static colors.
