OPTIRAYZ FB LED LIGHT BARS

OptiRayz FB is a rigid light bar system with LED optics that are ideal for soft signage lighting in fabric light boxes. Use 24V OptiRayz FB light bars to create a simple grid for backlighting applications. Available in three sizes and two standard CCTs. Daisy chain for larger signs. Longer OptiRayz FB light bars be trimmed at set cut points to fit odd sizes.
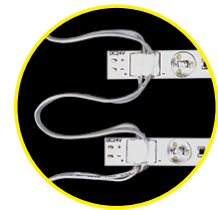

FEATURES

• For fabric light box applications
• Available in 2 standard CCTs: 5000K, 6500K
• 3 sizes at 160 lm/W
   6.5 in. (165 mm): 2 LEDs **(A)**
   19.5 in. (495 mm): 6 LEDs **(B)**
   39 in. (990 mm): 12 LEDs **(C)**
• 296 lm/ft (970 lm/m) @ 6500K
• Creates quick backlighting grid
• Wire spacing at 5.9 in. (150 mm)
• Trim light bars every 6.5 in. (165 mm) at set cut points
